1.3 LAP SWIMMERS

For your safety, when using the lap lanes at Waves Leisure Centre it is important to:

- Always swim on the left of the lane
- Overtake with caution
- Stay close to the lane rope when resting, and
- Choose an appropriate lap lane; Fast, Medium, Slow, based on swimming ability and other lap swimmers within the pools at the current time.

1.4 SUPERVISION OF CHILDREN

Aquatic Supervision Rules apply to the entire Centre. Waves Leisure Centre is an accredited Watch Around Water facility, and as such:

- Children under the age of 5 years must be actively supervised, remaining within arm's reach of a parent/guardian at all times. parent's/guardians must accompany children into the water.
- Children under the age of 10 must be actively supervised by a parent/guardian at all times.
- For parents/guardians who have children partaking in a program within the centre; it is the parent/guardian's responsibility to accompany the child to their program and to resume active supervision of their children at the completion of the program.

Note: the term "actively supervised" describes a Parent or Guardian's capacity to be "Ready to Act" at any given time, when supervising a child within their care. The centre's staff have the authority to determine whether a parent/guardian is suitably "ready to act" and may request that their method of supervision is altered to ensure the safety of the children within their care.

Patrons must pay attention to Lifeguards at all times and follow their instructions.
